November 2, 2026

Big Horn Rural Electric Company, a distribution cooperative, is seeking a mechanic/warehouseman for its Basin, Wyoming location. This position supports the Cooperative's mission by ensuring the safe, reliable, and efficient operation of its vehicles and equipment and managing materials and inventory to maintain accurate stock levels and support operational needs. Responsibilities include planning, performing, and coordinating preventive maintenance, inspections, and repairs on all Cooperative vehicles and related equipment, as well as overseeing inventory functions, including ordering, receiving, storing, tracking, and distributing materials. The starting wage is $32.00 per hour, depending on experience. The comprehensive benefits package includes medical, dental, vision, and life insurance; long-term disability coverage; a 401(k); the RS Plan; and vacation and sick leave. For a detailed job description, please contact Carrie Hunt at carrie@bighornrea.com. To apply, submit a completed job application, cover letter, and resume to Clint Getzfreid at clint@bighornrea.com. Applications are available at www.bighornrea.com. Position is open until filled.
